Dear Bentley:

Thanks for the two books (Feldman; Kluyver-vanNiel) just received.

My own conscience had been bothering me about the reviews still owing and I am sorry to learn the next deadline is so far ahead. I made the mistake of preparing them all at once, instead of one at a time, but I'll be sure to have the reviews by August.

Thanks,

Joshua Lederberg

P.S. Have you had any further thoughts, or more concrete notions, about a Biological Dictionary
